The Assembly of Catholic Bishops of Ontario has approved a "Call for Conscience Campaign" for this Sunday 11 February 2018. The campaign is to encourage Ontario's political parties to:

- Provide conscience protection for doctors, nurses, pharmacists and other health professionals who do not want to participate in assisted suicide or euthanasia. Currently, Ontario's regulatory agencies are forcing referral, even if this is contrary to the caregiver's convictions. Caregivers are at risk of being disciplined and losing their license to practice.
- Support faith-based hospitals, hospices and nursing homes who are not able to allow assisted suicide or euthanasia on the premises.
- Ensure sufficient palliative care in the province.

Please take a moment to visit our table in the foyer after all Masses this weekend 10/11 February. Members of the CWL will be available to help collect your signatures on the petition forms which will then be forwarded to the MP.
