READILY SAYING YES TO STEWARDSHIP

As we approach Christmas, the Church encourages us to reflect on the

Annunciation. The Annunciation can be seen as the singular event that changed the world for it is during this episode that Mary consents to God's will and conceived within her. As stewards striving to follow Jesus, we can learn a great deal from prayerfully imitating Mary in our own lives.

God is calling us to a very specific and important mission. St. John Henry Newman says that we should all recognize that "god has created me to do Him some definite service. He has committed some work to me which He has not committed to another. I have my mission."

We can live out this mission by being stewards of our time and talents for our communities, our parish and the entire Church. Let us seek Mary's intercession and trust in the Lord's call for our lives and readily follow Him.

The Annunciation can be seen as the singular event that changed the world for it is during this episode that Mary consents to God's will and Christ is conceived within her. Many times we seek to know God's entire will for our lives but we can learn from Mary to readily and prayerfully say Yes to the current step of the mission that He is calling us to. We can live out this mission by being stewards of our time and talents for the good of all human kind and all that God created for us.

FROM OUR MUSIC

MINISTRY: Even though you are not able to see us, our Music Ministry has been hard

at work learning and recording music in the comfort of their own homes. Please enjoy this inspiring setting of 'Behold the Lamb' written by Keith And Kristyn Getty & Stuart Townend.

We combined twenty-seven individual voice recordings using Garage Band and this is what we share with you on this fourth weekend of Advent. Enjoy this gift of music from St. Justin Martyr Music Ministry. Please follow the music on our website www.stjustin.ca.
