The Holy Bible. Contact us at reception@stjustin.ca for the Zoom link.

From the Archdiocese: Staff Appreciation

The Archdiocese of Toronto would like to recognize each member of our archdiocesan team for their contributions, hard work and dedicated service.

During the pandemic you have shown great flexibility, adaptability, and a willingness to serve. Employees have reached out to parishioners to ensure they feel connected, and we have seen great collaboration and teamwork as we navigate the pandemic together. We appreciate each of you sharing your gifts and talents to further the mission of the archdiocese. It would not be possible to accomplish all that we do without your important contributions.

A special thanks goes out to those who have gone above and beyond this year in keeping our parishes running. We recognize that this has not been an easy task for our pastors and staff given the various restrictions in place. Our custodians, housekeepers, cooks, and administrative staff have been essential throughout this challenging year and we thank them. Chancery departments, satellite offices and parishes also did a great job in quickly shifting to online platforms to continue offering programs and support. No role has been more important than another and all have been needed to get through this challenging time.

This past year has reminded us to slow down a bit and appreciate what is important. Good colleagues are a gift, and we thank you for all that you do.
