STEWARDSHIP REFLECTIONS

Using Our Gifts For Discipleship

In the readings this Sunday we are invited to reflect on the call to discipleship that we all receive as Christians. Just as Jesus called His first disciples to closely follow Him, so too are we called to follow Him in an ever deeper way through our commitment to stewardship.

In the Gospel today we see Jesus getting into Peter's fishing boat so that He could preach to the vast crowds that had come to see Him. Jesus used Peter's possessions to help with His ministry. Peter, like a good disciple, obeyed and cooperated with Jesus' request and Jesus was able to further spread the Good News to those who had gathered around Him. So too in our lives of stewardship, are we allowing Jesus to use the gifts we possess, namely our time and talents, so that others can come to know the Gospel?

We can offer our time to Christ through our commitment to daily prayer. We can also use our time to journey with and support our fellow parishioners, especially those who are going through a time of difficulty. With respect to our talents, we can reflect on our particular gifts and offer them to the appropriate ministries in the parish. For example, if we have the gift of music, perhaps we can look into joining a choir or if we have a background in teaching, perhaps various catechetical ministries in the parish.

There are many ways in which God can use us to serve Him. Let us echo the words of the prophet Isaiah in the first reading and boldly say to God, "Here am I; send me!"
