STEWARDSHIP BULLETIN REFLECTIONS

Living as Hopeful Stewards

What does it mean to hope in the Lord? The seven brothers and their mother depicted in 2 Maccabees can help us understand what true hope looks like. As all of them are being tortured, one of the brothers boldly declares, “you dismiss us from this present life, but the King of the universe will raise us up to an everlasting renewal of life.” In the midst of apparent sheer defeat, they remain steadfast in their hope.

Living lives of stewards also means living lives of hope. As we begin to embrace the lens of stewardship and start striving to revitalize our parish communities through the gifts of our time and talents, we could unconsciously expect vast changes to occur overnight. This could lead to discouragement as the desired results aren’t coming about according to the timeline we had envisioned.

However, we should fight these temptations of discouragement and listen to the exhortation of St. Padre Pio who says, “Pray, hope and don’t worry. Worry is useless. God is merciful and will hear your prayer.” We must also remember the words of Cardinal Collins in his Pastoral Letter on Stewardship that states that “stewardship is realistic ... What is important in life takes time.” Let us continue to embrace the spirituality of stewardship with full hope that the Lord will greatly bless us and our parish community.
